General Information

Evergreen orders are dug and immediately placed inside our large storage shed where they are protected from unfavorable weather conditions.

Deciduous stock is kept in our cold storage shed and is available for immediate delivery at all times.

Potted Roses will be started in cold frames and ready for delivery, in foliage, between May 1st and 15th.

At no extra charge we extend to all customers the opportunity to personally select and tag nursery stock in our growing fields.

You are welcome...at all times...to visit our nursery.

Terms of Sale

All nursery stock is offered subject to prior sale, with no warranty expressed or implied, net and F.O.B. our nursery. We exercise the greatest care to keep our varieties true to name and hold ourselves in readiness to replace at any time, on proper proof, any nursery stock that may prove otherwise or to refund the amount paid, but it is mutually agreed that we shall at no time be liable for any amount greater than that originally paid for the nursery stock in question.

A 2% cash discount is offered for Cash with Order only.

Packing charges: For LCL shipments of B&B stock, add \$.45 per tree. On bare root deciduous stock, packing at cost. No packing charge on evergreen lining-out stock.

All shipments travel at purchaser's risk.

Trucking: Write us for rates on delivery by our trucks.
